

## GLUTEN REDUCED MENU

While we take the same care and precautions preparing gluten-free items in all our kitchens, the **chance of cross-contact with gluten is higher** at our **SAN MATEO, SOMA, SAN JOSE, and OAKLAND** locations due to the small size of their kitchens.

### PIZZAS

## ABOUT OUR GLUTEN-REDUCED MENU ITEMS

*We purchase our specially made gluten-free crusts from Mariposa Baking Company. Our kitchen staff takes the following important steps to avoid cross-contact of gluten-free items with wheat:*

- Gluten-reduced pizzas are baked on a specially designed raised baking screen so that they won't come into contact with the cooking surface used for other pizzas.
- Gluten-reduced pizzas are sliced with a special cutter that is ONLY used for gluten-reduced pizzas.
- We take all reasonable precautions to avoid any kind of cross-contact. However, please be aware that flour and gluten products are present in our kitchens, so while our procedures are sufficient for most people with gluten intolerance, we recommend that those with **EXTREME** gluten allergies order with caution.
